This test is a free public service and there is no obligation. The test is done with the idea that people can know and improve their learning potential.

Parents with younger children can answer the questions for their children and from their own observations.

Fill in your answers in the spaces provided on the test form on the reverse side. Consider your most recent studies when answering these questions.

If the answer is yes or mostly yes, check the box in the "Y" column.

If the answer is maybe or sometimes, mark the box in the "M" column.

If the answer is no or mostly no, check the box in the "N" column.

The questions on this test can be answered from the point of view of your studies in general or in regard to a specific subject. Please specify which one below:
